

Accountability Plan Template SUNY Authorized Charter Schools

For school enrolling students in grades 9-12

This Accountability Plan template for schools enrolling students in 9th – 12th grades outlines the required Accountability Plan goals and measures in place since 2013 and revised in 2018 to incorporate the state's ESSA accountability system and update academic measures to account for the state's phase out of pre-Common Core Regents exams.

Sections highlighted in **yellow** indicate where to insert information to complete the Accountability Plan. Some yellow highlighted sections provide space for the inclusion of additional academic or organizational goals and measures. It is not required that schools include additional goals. For further discussion, or for a detailed explanation of the goals and measures included in this template and required of all SUNY authorized charter schools, refer to the *Guidelines for Creating an Accountability Plan*, revised July, 2019.
