INDEPENDENT AUDITOR'S REPORT

Board of Trustees Uncommon New York City Charter Schools

Report on the Financial Statements

We have audited the accompanying financial statements of Uncommon New York City Charter Schools which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Uncommon New York City Charter Schools as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2017

NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Charter School

Uncommon New York City Charter Schools (the "Charter School"), is an educational corporation operating as a group of charter schools in the borough of Brooklyn, New York City. The Charter School's mission is to ensure academic success for children in grades K through 12. The Charter School prepares students to excel in demanding high schools and colleges and to contribute to their communities as leaders. Through educational success, students earn opportunities in life for themselves and their communities.

In December 2014, the Board of Trustees of Williamsburg Collegiate Charter School ("Williamsburg") approved a merger of Williamsburg with the Charter School and in February 2016 the Board of Regents of the University of the State of New York approved the merger into the Charter School. The merger was effective July 1, 2016. In conjunction with this merger, Williamsburg was dissolved.

Financial Statement presentation

The financial statements of the Charter School have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP). The Charter School reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

These classes of net assets are defined as follows:

<u>Permanently restricted</u> – Net assets resulting from contributions and other inflows of assets whose use by the Charter School is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Charter School. The Charter School had no permanently restricted net assets at June 30, 2017.

<u>Temporarily restricted</u> – Net assets resulting from contributions and other inflows of assets whose use by the Charter School is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Charter School pursuant to those stipulations. The Charter School had no temporarily restricted net assets at June 30, 2017.

<u>Unrestricted</u> – The net assets over which the Governing Board has discretionary control to use in carrying on the Charter School's operations in accordance with the guidelines established by the Charter School. The Board may designate portions of the current unrestricted net assets for specific purposes, projects or investment.

Revenue and support recognition

Revenue from state and local governments resulting from the Charter School's charter status and based on the number of students enrolled is recorded when services are performed in accordance with the charter agreement.

Revenue from federal, state and local government grants and contracts are recorded by the Charter School when qualifying expenditures are incurred and billable.

Contributions

Contributions received are recorded as unrestricted, temporarily or permanently restricted support depending on the existence of any donor restrictions. A contribution that is received and expended in the same year for a specific purpose is classified as unrestricted revenue.

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2017

NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

Contributions are recorded as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

Cash

Cash balances are maintained at financial institutions located in New York and are insured by the Federal Deposits Insurance Corporation up to \$250,000 at each institution. In the normal course of business, the cash account balances at any given time may exceed insured limits. However, the Charter School has not experienced any losses in such accounts and does not believe it is exposed to significant risk in cash.

Grants and other receivables and accounts receivable

Grants and other receivables and accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts based on its assessment of the current status of individual receivables from grants, agencies and others. Balances that are still outstanding after management has used reasonable collection efforts are written off against the allowance for doubtful accounts. There was no allowance for doubtful accounts at June 30, 2017.

Property and equipment

Property and equipment are recorded at cost. Depreciation is computed using the straight-line method on a basis considered adequate to depreciate the assets over their estimated useful lives, which range from three to ten years.

Cash in escrow

Cash is held by the Charter School as an escrow account in accordance with the terms of their charter agreement. The amount in escrow as of June 30, 2017 was \$376,172. The escrow account is restricted to fund legal and other costs should the Charter School cease operations and dissolve.

Tax exempt status

The Charter School is a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code and applicable state regulations and, accordingly, is exempt from federal and state taxes on income.

The Charter School files Form 990 tax returns in the U.S. federal jurisdiction. The tax returns for the years ended June 30, 2014 through June 30, 2017 are still subject to potential audit by the IRS. Management of the Charter School believes it has no material uncertain income tax positions and, accordingly it will not recognize any liability for unrecognized tax benefits.

Contributed services

The Charter School receives contributed services from volunteers to develop its academic program and to serve on the board of trustees. These services are not valued in the financial statements because they do not require "specialized skills" and would typically not be purchased if they were not contributed.

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2017

NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

In-kind Contributions

Gifts and donations other than cash are recorded at fair value at the date of contribution. The Charter School received in-kind contributions of textbooks in the year ended June 30, 2017 totaling \$509,898. Such in-kind contributions are included in miscellaneous income on the accompanying statement of activities and changes in net assets for the year ended June 30, 2017.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events

The Charter School has conducted an evaluation of potential subsequent events occurring after the statement of financial position date through October 26, 2017 which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

NOTE B: COMMITMENTS AND RELATED PARTY TRANSACTIONS

Uncommon Schools, Inc. ("USI"), a not-for-profit organization dedicated to helping start and run charter schools, provides management and other administrative support services to the Charter School. The Charter School entered into a five year agreement with USI, dated July 1, 2015, under which the Charter School pays USI a service fee of a set percentage of the average number of students enrolled at the Charter School during the school year multiplied by the approved per pupil operating expenses for the school year, and a percentage of all other public entitlement funding receivable during the fiscal year, excluding in-kind contributions and funds from competitive public grants. This percentage is based on the number of years a given school within the Charter School is in operation, and ranges from 8% to 10%. The fee incurred for the year ended June 30, 2017 was approximately \$10,251,400. Included in accounts payable and accrued expenses at June 30, 2017 was approximately \$3,118,000 related to this fee due to USI.

In November 2013, a wholly-owned subsidiary of USI was created, Uncommon Crown Heights, LLC ("Crown Heights"), to manage a high school facility shared between an unrelated charter school and the Charter School. All schools located in the shared high school entered into an administrative costs management agreement and advanced Crown Heights funds to operate the location. The Schools will be charged an annual service fee of 0.5% of the combined facility budget by Crown Heights. The Charter School was charged approximately \$4,800 related to this fee for the year ended June 30, 2017. Actual expenses are tracked and allocated to each party based on metrics developed by management. Depending on the actual expenses incurred, a prepaid balance or payable could exist at any given time. At June 30, 2017 approximately \$240,000 and \$31,000 was included in prepaid expenses and accounts payable and accrued expenses, respectively, related to Crown Heights.

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2017

NOTE C: SCHOOL FACILITIES

The Charter School is located in various New York City Department of Education facilities. During the year ended June 30, 2017 the Charter School paid a fee to the New York City Department of Education for additional after-school and weekend usage amounting to approximately \$2,600. At June 30, 2017, the Board of Trustees has designated \$7,059,000 as a stability fund to meet future needs of the Charter School.

The Charter School's high school occupies space with a related charter school per a verbal agreement with a third party at no charge. At June 30, 2017, the Charter School paid certain utility and maintenance services on a square footage basis amounting to approximately \$851,000.

NOTE D: PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

Furniture and fixtures	\$ 1,950,521
Computer software	12,185,619
Construction in progress	220,000
Leasehold improvements	10,448,254
	24,804,394
Less accumulated depreciation and amortization	15,065,884
	\$ 9,738,510

NOTE E: OPERATING LEASES

The Charter School leases office equipment under certain non-cancelable lease agreements expiring through August 2020. The future minimum payments on these agreements are as follows:

Year ending June 30,		Amount					
2010		644.044					
2018	\$	641,941					
2019		275,374					
2020		65,593					
2021		696					
	\$	983,604					

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2017

NOTE F: RETIREMENT PLAN

The Charter School sponsors a defined contribution 403(b) plan covering most employees. The Charter School matches employees' contributions up to the lesser of 3% of gross payroll or \$3,500. The Charter School's total contribution to the Plan for the year ended June 30, 2017 approximated \$1,362,000.

NOTE G: CONTINGENCY

Certain grants and contracts may be subject to audit by funding sources. Such audits might result in disallowance of costs submitted for reimbursement by the Charter School. Management is of the opinion that such disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

NOTE H: CONCENTRATIONS

At June 30, 2017 approximately 97% of total grants and accounts receivables are due from New York State.

During the year ended June 30, 2017, 96% of total revenue, gains and other support came from per-pupil funding provided by New York State. The per-pupil rate is set annually by the State based on the school district in which the Charter School is located.

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2017

NOTE I: PRIOR YEAR INFORMATION

As stated in Note A above, in December 2014, the Board of Trustees of Williamsburg approved a merger of the school with the Charter School. Below is a summary of the opening balances, as of July 1, 2016, of the charter schools approved under this merger:

OTHER FINANCIAL INFORMATION

INDEPENDENT AUDITOR'S REPORT ON OTHER FINANCIAL INFORMATION

Board of Trustees Uncommon New York City Charter Schools

We have audited the financial statements of Uncommon New York City Charter Schools as of and for the year ended June 30, 2017, and we have issued our report thereon dated October 26, 2017, which expressed an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The 2017 financial information hereinafter is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements for the year ended June 30, 2017, as a whole.

ADVISORY COMMENT LETTER

JUNE 30, 2017

Certified Public Accountants

October 26, 2017

To the Board of Trustees Uncommon New York City Charter Schools

In planning and performing our audit of the financial statements of Uncommon New York City Charter Schools (the "Charter School") as of and for the year ended June 30, 2017, in accordance with auditing standards generally accepted in the United States of America, we considered the Charter School's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the Charter School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Status of comments included in our June 30, 2016 letter dated October 18, 2016.

Net Assets

During our audit we noted that net assets did not properly roll forward from prior year.

Recommendation

We recommend the Charter School review procedures in place to ensure that net assets properly rolls forward from year to year. The Associate Directors of Accounting should check to ensure that the beginning net asset balances agree to the prior year ending net asset balances.

Status as of June 30, 2017

We noted during our testing that net assets properly rolled forward from the prior year.

Bank Reconciliations

During our audit we noted while bank reconciliations were done by the Associate Directors of Accounting and reviewed by the Director of Accounting monthly, they were not signed by the Chief Financial Officer on a monthly basis, in accordance with fiscal policies and procedures.

Recommendation

We recommend an update on the fiscal policies and procedures to designate the Director of Accounting to complete the final review and sign off on the monthly reconciliations.

Status as of June 30, 2017

We noted during our testing the fiscal policies and procedures were updated as recommended. Monthly reconciliations were properly completed by the Associate Directors of Accounting and reviewed by the Director of Accounting.

REPORT TO THE FINANCE COMMITTEE

JUNE 30, 2017

Certified Public Accountants

October 26, 2017

The Finance Committee
Uncommon New York City Charter Schools

We have audited the financial statements of Uncommon New York City Charter Schools as of and for the year ended June 30, 2017, and have issued our report thereon dated October 26, 2017. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated June 13, 2017, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America and *Governmental Auditing Standards*. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Uncommon New York City Charter Schools solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding other matters noted during our audit in a separate letter to you dated October 26, 2017.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate and our firm have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Uncommon New York City Charter Schools is included in Note A to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended June 30, 2017. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are the collectability of grants receivable, as well as the allocation of costs for the statement of functional expenses. We evaluated the key factors and assumptions used to develop these estimates and determined that they are reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Uncommon New York City Charter Schools' financial statements relate to revenue and support recognition, which is referred to in the notes of the financial statements.

Identified or Suspected Fraud

We have not identified or obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Management has corrected all such misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Uncommon New York City Charter Schools' financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with Uncommon New York City Charter Schools, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the entity, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Uncommon New York City Charter Schools' auditors.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

* * * * :

Should you desire further information concerning these matters, Shelby Stenson or Ryan Snyder will be happy to meet with you at your convenience.

This report is intended solely for the information and use of the Finance Committee, the Board of Trustees, and management of Uncommon New York City Charter Schools and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

MENGEL, METZGER, BARR & CO. LLP

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Uncommon New York City Charter Schools

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Uncommon New York City Charter Schools, which comprise the statement of financial position as of June 30, 2017 and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended and the related notes to the financial statements and have issued our report thereon dated October 26, 2017.

Internal Control Over Financial Reporting

Management of Uncommon New York City Charter Schools is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit of the financial statements, we considered Uncommon New York City Charter Schools' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Uncommon New York City Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of Uncommon New York City Charter Schools' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Uncommon New York City Charter Schools' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Mongel, Metzger, Barr & Co. LLP

Rochester, New York October 26, 2017

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE SCHEDULE OF
EXPENDITURES OF FEDERAL AWARDS IN ACCORDANCE WITH THE UNIFORM GUIDANCE

Board of Trustees Uncommon New York City Charter Schools

Report on Compliance for Each Major Federal Program

We have audited Uncommon New York City Charter Schools' compliance with the compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of Uncommon New York City Charter Schools' major federal programs for the year ended June 30, 2017. Uncommon New York City Charter Schools' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Uncommon New York City Charter Schools' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Uncommon New York City Charter Schools' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Uncommon New York City Charter Schools' compliance.

Opinion on Each Major Federal Program

In our opinion, Uncommon New York City Charter Schools complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of Uncommon New York City Charter Schools is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Uncommon New York City Charter Schools' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Uncommon New York City Charter Schools' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Purpose of the Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of Uncommon New York City Charter Schools as of and for the year ended June 30, 2017, and have issued our report thereon dated October 26, 2017, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance) and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Mongel, Metzger, Barn & Co. LLP

Rochester, New York October 26, 2017

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2017
