Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with <i>Government Auditing Standards</i>	18

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
University Preparatory Charter School for Young Men
Rochester, New York

We have audited the accompanying financial statements of University Preparatory Charter School for Young Men (a New York State nonprofit organization), which comprise the balance sheets as of June 30, 2020 and 2019, and the related statements of cash flows for the years then ended, the statements of activities and functional expenses for the year ended June 30, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

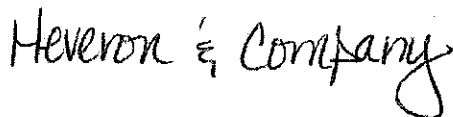

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of University Preparatory Charter School for Young Men as of June 30, 2020 and 2019, and its cash flows for the years then ended, and the changes in net assets and functional expenses for the year ended June 30, 2020 in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited University Preparatory Charter School for Young Men's statements of activities and functional expenses for the year ended June 30, 2019, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 8, 2019. In our opinion, the summarized comparative information presented herein, as of and for the year ended June 30, 2019 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 10, 2020 on our consideration of University Preparatory Charter School for Young Men's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of University Preparatory Charter School for Young Men's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering University Preparatory Charter School for Young Men's internal control over financial reporting and compliance.

**UNIVERSITY PREPARATORY CHARTER SCHOOL FOR YOUNG MEN
NOTES TO FINANCIAL STATEMENTS**

June 30, 2020

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES**

Organization

University Preparatory Charter School for Young Men (the School) is a nonprofit educational organization in Rochester, New York. It was formed to be a small school for young men with personalized attention for each student. The School provides a safe and secure learning environment where respect and compassion are values for adults and students for grades 7-12. The School obtains its support directly and indirectly from organizations and government agencies in the community.

The main programs of the School are as follows:

REGULAR EDUCATION: The School curriculum encourages and promotes young men to be involved, to be active in their learning, and to learn together. The School provides preparation not just for graduation, but for success in college. It is also a place for young men to play sports and engage in exciting, healthy, extracurricular activities. All courses align with the New York State Learning Standards.

SPECIAL EDUCATION: In accordance with the Individuals with Disabilities Education Act, the Rehabilitation Act, Section 504, and the Americans with Disabilities Act, the School provides a free and appropriate education, in the least restrictive environment to students with disabilities. The primary service delivery for students with special needs is inclusion. For students requiring supplemental services, the School has employees on staff to provide the required services outlined in the student's Individual Education Plan or 504 Plan.

FOOD SERVICES: The School believes that healthy meals are an important part of a child's day. Breakfast and lunch are served every day. All meals are intended to meet the required New York State Child Nutrition Standards, and the School subscribes to the New York State free and reduced priced meal program.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

UNIVERSITY PREPARATORY CHARTER SCHOOL FOR YOUNG MEN
NOTES TO FINANCIAL STATEMENTS

June 30, 2020

(Continued)

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)**

Net Assets

In accordance with accounting principles generally accepted in the United States of America, the School reports information regarding its financial position and activities according to the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, based on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Use of Estimates in the Preparation of Financial Statements

Accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the amounts of assets and liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities. Actual results could vary from those estimates.

Accounts and Grants Receivable

Receivables are stated at the amount management expects to collect. Amounts that management believes to be uncollectible after collection efforts have been completed are written off. In addition, management evaluates the need for, and if appropriate, provides an allowance to reduce receivables to amounts management expects will be collected. Management determined that no allowances were necessary at June 30, 2020 and 2019.

**UNIVERSITY PREPARATORY CHARTER SCHOOL FOR YOUNG MEN
NOTES TO FINANCIAL STATEMENTS**

June 30, 2020

(Continued)

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)**

Revenue and Revenue Recognition

A portion of the School's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the school has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the balance sheet.

The School recognizes revenue derived from tuition and food service. Tuition income is recognized during the school year based on enrollment. Food service revenue is recognized when earned at the time of service.

The School has analyzed the provisions of ASU 2014-09, *Revenue from Contracts with Customers*, and has determined that no significant changes in the way the school recognizes revenue are necessary, however, the presentation and disclosures of revenue has been enhanced.

Contributions

The School recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Contributions that are expected to be received in future years are recorded at their present value. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

Property and Equipment

Property and equipment are stated at cost. The School capitalizes property and equipment with a cost of over \$1,000 and an estimated life of three or more years. Depreciation is computed using the straight-line method based on the estimated useful lives of the assets as follows.

	<u>Years</u>
Building and Improvements	20
Furniture and Fixtures	3-5
Vehicles	5

Depreciation expense amounted to \$385,672 and \$365,000 for the years ended June 30, 2020 and 2019, respectively.

UNIVERSITY PREPARATORY CHARTER SCHOOL FOR YOUNG MEN
NOTES TO FINANCIAL STATEMENTS

June 30, 2020
(Continued)

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)**

Income Taxes

The Internal Revenue Service has determined that the School is qualified as a charity exempt under Section 501(c)(3) of the Internal Revenue Code. As a result, no provision for federal or state income taxes has been made.

Advertising

Advertising costs are expensed as incurred.

Functional Expenses

The costs of providing the various program services have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the program services, and management and general. An immaterial amount of fund raising costs for the years ended June 30, 2020 and 2019 are included in management and general expenses.

The financial statements report certain categories of expenses that are attributed to both program and supporting functions. Therefore, allocation on a reasonable basis that is consistently applied is required. The expenses that are allocated include occupancy, repairs and maintenance, insurance and depreciation, which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, other purchased services, student services, supplies, office expenses, and other expenses, which are allocated on the basis of time and effort for each category.

Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the School's financial statements for the year ended June 30, 2019, from which the summarized information was derived.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020
(Continued)

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)**

Recent Accounting Pronouncements

During 2018, the School adopted Accounting Standards Update (ASU) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. This guidance is intended to improve the net asset classifications and the information presented in the financial statements and notes about a not-for-profit entity's liquidity, financial performance, and cash flows. Main provisions of this guidance include, when applicable, the presentation of two classes of net assets versus the previously required three. The guidance also enhances disclosures for board designated amounts, composition of net assets with donor restrictions, liquidity, and expenses by both their natural and functional classification.

In May 2014, the FASB issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers*. This guidance implements a single framework for recognition of all revenue earned with customers. This framework ensures that entities appropriately reflect the consideration to which they expect to be entitled in exchange for goods and services by allocating transaction price to identified performance obligations and recognizing revenue as performance obligations are satisfied. Qualitative and quantitative disclosures are required to enable users of financial statements to understand the nature, timing, and uncertainty of revenues and cash flows arising from contracts with customers. The guidance is effective for the School's year ended June 30, 2020.

During the year ended June 30, 2020, the School adopted ASU No. 2014-09 along with the practical expedient, which allows modifications to contracts to be applied at the time of adoption. The School receives revenue from several sources and recognizes revenue based on when performance obligations are met.

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The ASU clarifies and improves guidance for contributions received and contributions made and provides guidance to organizations on how to account for certain exchange transactions. This change is preferable in that it clarifies whether to account for transactions as contributions or as exchange transactions. In addition, it clarifies whether a contribution is conditional or unconditional. As a result, it enhances comparability of financial information among not-for-profit entities.

The change in accounting principle was adopted on a modified prospective basis. As a result, there was no cumulative-effect adjustment to opening net assets without donor restrictions or opening net assets with donor restrictions as of June 30, 2019.

**UNIVERSITY PREPARATORY CHARTER SCHOOL FOR YOUNG MEN
NOTES TO FINANCIAL STATEMENTS**

June 30, 2020

(Continued)

NOTE 2 - LIQUIDITY AND AVAILABILITY

The School regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the School considers all expenditures related to its ongoing activities as well as the conduct of services undertaken to support those activities to be general expenditures.

At June 30, the following financial assets could readily be made available within one year of the balance sheet date to meet general expenditures:

	<u>2020</u>	<u>2019</u>
Cash and cash equivalents	\$ 4,462,979	\$ 3,093,522
Accounts receivable	73,474	-
Grants receivable	81,928	209,560
Less donor restricted net assets	<u>(42,786)</u>	<u>(7,500)</u>
Total	<u>\$ 4,575,595</u>	<u>\$ 3,295,582</u>

NOTE 3 - CASH AND CASH EQUIVALENTS, AND RESTRICTED CASH

For the purposes of the statements of cash flows, cash and cash equivalents include all cash on hand and in banks, which at times, may exceed federally insured limits. The School considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Certain of these accounts are not federally insured. The School has not experienced any losses in these accounts and does not believe it is exposed to any significant credit risk with respect to cash and cash equivalents.

The School maintains cash in an escrow account in accordance with the terms of their charter agreement. The escrow is restricted to fund legal and other costs related to the dissolution of the School.

Cash and cash equivalents, and restricted cash consisted of the following at June 30:

	<u>2020</u>	<u>2019</u>
Checking	\$ 4,457,971	\$ 174,105
Savings and Money Market	<u>5,008</u>	<u>2,919,417</u>
Subtotal - Cash and Cash Equivalents	4,462,979	3,093,522
Restricted Cash - Escrow Account	<u>76,611</u>	<u>75,865</u>
Total Cash, Cash Equivalents, and Restricted Cash	<u>\$ 4,539,590</u>	<u>\$ 3,169,387</u>

**UNIVERSITY PREPARATORY CHARTER SCHOOL FOR YOUNG MEN
NOTES TO FINANCIAL STATEMENTS**

**June 30, 2020
(Continued)**

NOTE 4 - EMPLOYEE BENEFIT PLAN

The School has a 403(b) retirement plan. Eligible employees can make contributions to the plan. Employees are fully and immediately vested in all contributions. The School will make non-elective contributions at the Board's discretion. Employer contributions for the years ended June 30, 2020 and 2019 were \$247,250 and \$231,500, respectively.

NOTE 5 - LOAN PAYABLE

In April 2020, the School applied for and was approved to receive a \$1,318,775 loan under the Paycheck Protection Program created as part of the relief efforts related to COVID-19 and administered by the Small Business Administration. The loan accrues interest at 1%, but payments are not required to begin for six months after the funding of the loan. The School may be eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. The loan is uncollateralized and is fully guaranteed by the Federal government. The current portion of the loan at June 30, 2020 is \$513,318.

Maturities of long-term debt for the years after June 30, 2021 are as follows:

<u>Year Ended</u>	<u>Amount</u>
2022	\$ 805,457

NOTE 6 - SPECIAL EDUCATION AND OTHER SUPPORT

Some of the special education services required by students of the School are provided by the Rochester City School District. The Rochester City School District also provides transportation. The School was unable to determine a value for these services; thus, these financial statements do not reflect revenue or expenses associated with those services.

Additionally, the School does provide certain special education services with its own staff and facilities.

The School also receives State Aid in the form of textbooks, computer hardware, computer software, and library materials through the Rochester City School District. The total aid received for the years ended June 30, 2020 and 2019 was \$32,398 and \$15,650, respectively.

UNIVERSITY PREPARATORY CHARTER SCHOOL FOR YOUNG MEN
NOTES TO FINANCIAL STATEMENTS

June 30, 2020
(Continued)

NOTE 7 - DONATED SERVICES AND GOODS

The School receives donated services that, although substantial, do not meet the criteria for recording as revenue and expense under accounting principles generally accepted in the United States of America. During 2020 and 2019, 10 and 8 active volunteers provided 220 and 192 hours of service, respectively.

NOTE 8 - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or periods:

	<u>2020</u>	<u>2019</u>
Subject to expenditure for specified purpose:		
Professional Development	\$ 28,000	\$ -
Career and Technical Education Program	7,500	7,500
Technology	<u>7,286</u>	<u>-</u>
Total Net Assets with Donor Restrictions	<u>\$ 42,786</u>	<u>\$ 7,500</u>

NOTE 9 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 10, 2020, which is the date the statements were available for issuance.

Beginning around March 2020, the COVID-19 virus has been declared a global pandemic as it continues to spread rapidly. Business continuity, including supply chains and consumer demand across a broad range of industries and countries could be severely impacted for months or beyond as governments and their citizens take significant and unprecedented measures to mitigate the consequences of the pandemic. Management is carefully monitoring the situation and evaluating its options during this time. No adjustments have been made to these financial statements as a result of this uncertainty.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING
STANDARDS***

Independent Auditors' Report

To the Board of Trustees
University Preparatory Charter School for Young Men
Rochester, NY

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of University Preparatory Charter School for Young Men which comprise the balance sheet as of June 30, 2020, and the related statements of activities and functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 10, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered University Preparatory Charter School for Young Men's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of University Preparatory Charter School for Young Men's internal control. Accordingly, we do not express an opinion on the effectiveness of University Preparatory Charter School for Young Men's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Care, Competence & Common Sense™

Certified Women-Owned Business

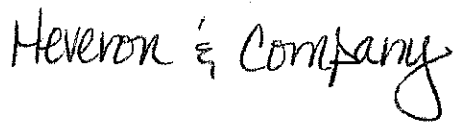

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether University Preparatory Charter School for Young Men's financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Auditors' Communications

August 28, 2020

To The Board of Trustees
University Preparatory Charter School for Young Men
1290 Lake Avenue
Rochester, NY 14613

Dear Board Members:

This letter is intended only for the board and those responsible for management and governance. Although we did review some of your internal controls, we did not perform an examination of them that would allow us to give an opinion on the adequacy of your controls.

Those charged with management and governance are responsible for:

- safeguarding your assets,
- ensuring that your resources are used as directed by funders, donors, and as required by charities laws and your own articles of incorporation,
- assuring that you are complying with laws, regulations, contracts and grants associated with your funding,
- properly recording and reporting results of operations and account balances, and
- proper business practices, operating procedures, documentation and controls.

Our audit was designed to help you with those responsibilities, and is also designed and intended to help you to benchmark your administrative operations to best practices.

Our Responsibilities to You

As part of our audit we are required to inform you of significant deficiencies and material weaknesses in your controls that we become aware of.

Controls are procedures, policies, and responsibilities that you put in place to make sure that appropriate transactions take place and are reported properly on your financial statements. Examples of controls are timely billing for services you perform, ensuring proper payments are received and recorded, and measures to prevent overpayment of payroll or vendors.

Control deficiencies result when proper procedures are not in place to assure that appropriate transactions are carried out, recorded and reported properly.

Significant deficiencies are control deficiencies or combinations of control deficiencies that are less severe than material weaknesses, yet important enough to merit attention by those charged with governance.

Material weaknesses are significant deficiencies or combinations of significant deficiencies such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

The Role of Internal Controls

Internal controls are managements' standards to safeguard your assets. They include the following components:

- Setting expectations of integrity and ethical conduct, with actions such as proper hiring and training,
- Assessing risks based on your operations and your staffing,
- Establishing control activities, such as separation of responsibilities, to reduce risks,
- Communications from senior management to all involved staff about internal controls, and
- Monitoring - ongoing evaluation of whether controls are appropriate and are working.

General Observations

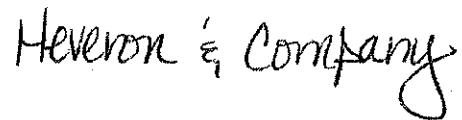

Our general observations are that:

- Recordkeeping appears to be done in a timely, complete and conscientious manner.
 - Internal controls are good for an organization of your size and staffing.
 - The attitude of management regarding the importance of proper systems and controls seems appropriate.
 - We confirm that the significant accounting policies used by management, the significant estimates made by management (about areas such as useful life and collectibility), and the disclosures are appropriate for these financial statements.
 - Management may disagree with auditors about areas needed to be accessed for audits, or about conclusions that are reached with respect to amounts or disclosures. Management may explain their position and may also reach out to other CPAs or experts. We did not have any such disagreements or difficulties with management.
 - We did not become aware of fraud or illegal acts, and we did not note any significant financial statement adjustments or unusual transactions.
 - Whenever we become aware of adjustments or corrections that are not clearly trivial, we will discuss them with management. No material accounting adjustments were required to make your financial statements materially correct.
-

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this communication is solely to describe the scope of our testing of internal control over financial reporting and the results of that testing. This communication is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting. Accordingly, this communication is not suitable for any other purpose.

Sincerely,
