I recommend that the Charter Schools Committee adopt the following resolution:

Whereas the State University of New York Charter Schools Institute (the "Institute"), acting on behalf of the Board of Trustees and in accordance with the New York Charter Schools Act of 1998 (as amended, the "Act"), issued a request for proposals on July 2, 2015 to establish new not-for-profit charter school education corporations and to permit existing education corporations to operate additional charter schools; and

Whereas the applicant(s) for the Legacy College Preparatory Charter School (the "Applicant"), who seeks authority to operate one school to be located in the Bronx, submitted a proposal that the Institute reviewed, scored, ranked and recommends for approval (the "Recommended Proposal") as set forth in the Institute's Summary of Findings and Recommendations for the proposed school (copy on file in the Office of the Secretary of the University and in the Albany office of the Institute), which was made available to the Board of Trustees; now, therefore, be it

Resolved that the Recommended Proposal and the school described therein meet the requirements of the Act and all other applicable laws, rules and regulations; and, be it further

Resolved that the Applicant and the founding team described in the Recommended Proposal demonstrate the ability to operate the proposed school in an educationally and fiscally sound manner; and, be it further

Resolved that approving the Recommended Proposal is likely to improve student learning and achievement and materially further the purposes set out in Education Law § 2850(2); and, be it further

Resolved that approving the Recommended Proposal would have a significant educational benefit to the students expected to attend the proposed charter school within the meaning of Subdivision 2852(2)(d); and, be it further

Resolved that the Recommended Proposal be, and hereby is, approved; and, be it further

Resolved that the Institute be, and hereby is, directed to: 1) enter into a proposed charter with the Applicant, which shall include such assurances and terms as the Institute shall deem necessary and appropriate; and, 2) thereafter to submit such proposed charter no later than November 1, 2016 as required by the Act to the New York State Board of Regents for issuance on or before January 1, 2017.

Background

Pursuant to Resolution No. 2012-038 dated June 12, 2012, the Board of Trustees delegated to the Charter Schools Committee the authority to approve or deny applications to establish new charter school education corporations, and applications by existing education corporations for authority to operate additional schools.

The New York Charter Schools Act of 1998 (as amended, the “Act”) permits new charters to be issued through requests for proposals (“RFPs”). Only the Board of Trustees and the New York State Board of Regents may issue RFPs. In 2015, amendments to the Act increased the cap on the number of charter schools to 460 charters with new RFP charters to be located in New York City limited to 50 regardless of chartering entity. (Twenty-two previously issued charters may be reissued and such reissuance shall not be counted toward the numerical limits). Prior to approval of this resolution, 149 charters could be issued through a RFP process by either the Board of Trustees or the Board of Regents, and eight of the 50 New York City charters had been issued.

The State University of New York Charter Schools Institute (the “Institute”) released and broadly distributed a draft RFP for public comment on February 18, 2015, and posted a document detailing its evaluation and response to public comments on July 2, 2015 with the release of the RFP. The Institute received the proposal to be approved by this resolution by the proposal due date, and then reviewed, scored (in accordance with a rubric required to be developed pursuant to New York Education Law § 2852(9-a)(c)) and ranked it.

Prior to recommending the proposed charter school for approval, the Institute, acting on behalf of the Board of Trustees, conducted a rigorous review of the proposal and published its findings and recommendations in a Summary of Findings and Recommendations (copy on file in the Office of the Secretary of the University and in the Albany office of the Institute, and available at: http://www.suny.edu/Board_of_Trustees/meetingnotices.cfm), which was made available to the Board of Trustees. In addition to meeting all of the application requirements for non-RFP charters, the amended Act requires additional RFP findings reflected in the resolution.

For the proposal listed above, the Institute, pursuant to Education Law § 2857(1), notified the school district in which the charter school proposes to be located as well as public and non-public schools in the same geographic area of the school regarding the receipt of the application for a new school (copy on file in the Albany Office of the Institute). As of June 3, 2016, the Board of Trustees received no district comments.
