INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Community Partnership Charter School Education Corporation

Opinion

We have audited the accompanying financial statements of Community Partnership Charter School Education Corporation (a nonprofit organization) (the "Organization"), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Partnership Charter School Education Corporation as of June 30, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Partnership Charter School Education Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Partnership Charter School Education Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Partnership Charter School Education Corporation and related entities internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Partnership Charter School Education Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in the schedules on pages 19 - 30 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 1, 2022, on our consideration of Community Partnership Charter School Education Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Partnership Charter School Education Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Partnership Charter School Education Corporation's internal control over financial reporting and compliance.

COMMUNITY PARTNERSHIP CHARTER SCHOOL EDUCATION CORPORATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1. ORGANIZATION AND NATURE OF OPERATIONS

Principal Business Activity

Community Partnership Charter School Education Corporation is an education corporation that operates two charter schools in the borough of Brooklyn, New York.

Effective October 1, 2014, Beginning with Children Charter School 2 ("BwCCS2") merged into Community Partnership Charter School ("CPCS"), the surviving entity. Concurrent with the merger, CPCS changed its name to Community Partnership Charter School Education Corporation ("CPCSEC").

On July 1, 2014, the Board of Regents of the University of the State of New York ("SUNY") granted a fourth provisional charter to CPCS for the merger of BwCCS2 and CPCS to form CPCSEC, expiring on July 31, 2017. On March 8, 2017, the Board of Regents of SUNY renewed the CPCSEC charter for a period of five years, expiring July 31, 2022.

On June 28, 2022, the Board of Regents of SUNY renewed the CPCSEC charter for a period of five years, expiring July 31, 2027.

CPCSEC'S mission is to provide personalized education for each student, addressing weaknesses and reinforcing strengths through individualized instruction, dynamic curriculum, ongoing assessment and parental/community engagement. CPCSEC puts the needs of the whole student first, transcending the academic rigor of the classroom and nurturing the development of children from their formative years through college.

The New York City Department of Education ("NYCDOE") provides free and reduced-price lunches and transportation directly to a majority of CPCSEC's students.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statements Presentation

The accompanying financial statements have been prepared on an accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires CPCSEC to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets without Donor Restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. Board-designated net assets were established by CPCSEC's board of trustees to provide for unforeseen facility, personnel and other issues.

Net Assets with Donor Restrictions - Net assets subject to donor-imposed restrictions. CPCSEC reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

JUNE 30, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Cash and Cash Equivalents

CPCSEC maintains cash in deposit accounts which, at times, may exceed federally insured limits. CPCSEC has not experienced any losses in these accounts. CPCSEC considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents.

Restricted Cash

Restricted cash reflects \$150,000 in funds maintained in separate accounts as required by the Charter School Institute to have funds available to ensure an orderly liquidation, dissolution or transition process if CPCSEC's charter were to be terminated or CPCSEC was closed for other reasons. The restricted cash is held in "Other non-current assets - dissolution funds" on the accompanying statements of financial position.

Revenue Recognition

CPCSEC recognizes revenue in accordance with Accounting Standards Codification ("ASC") Topic 606, *Revenue from Contracts with Customers* ("Topic 606"), on July 1, 2020. Revenue is measured based on the consideration specified in a contract with a customer, and excludes any amounts collected on behalf of third parties. Under Topic 606, CPCSEC recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer. The majority of CPCSEC's services represent a bundle of services that are not capable of being distinct and as such, are treated as a single performance obligation that is satisfied as the services are rendered. CPCSEC determines the transaction price based on contractually agreed-upon rates, adjusted for any variable consideration, if any.

Revenue from the state and local governments resulting from CPCSEC's charter status, which is based on the number of students enrolled, is recorded when services are performed in accordance with the charter agreement. Amounts received prior to services being rendered on behalf of students are recognized as amounts due to NYCDOE.

Grants and Contributions

Grants and contributions of cash and other assets are presented as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions, including unconditional promises to give, are recognized as revenues in the period the promise is received. Conditional promises to give, that is, those with a measurable performance or other barrier, are not recognized until they become unconditional, that is, at the time when the conditions on which they depend are substantially met.

A portion of CPCSEC's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when

Revenue Recognition (Continued)

CPCSEC has incurred expenditures or provided the related services in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures or providing the related services are reported as refundable advances in the statement of financial position.

Contributed Services and Space

Contributed services are reported as contributions at their fair value if such services create or enhance nonfinancial assets, would have been purchased if not provided by donation, require specialized skills, and are provided by individuals possessing such skills.

A number of volunteers have made a contribution of their time to CPCSEC to develop academic and other programs and to serve on the board of trustees. The value of this contributed time is not reflected in the accompanying financial statements in as much as those services would not typically be purchased had they not been provided by donation.

CPCSEC was the recipient of donated space which was used for the BwCCS2 middle school campus. For the years ended June 30, 2022 and 2021, the value of the donated space amounted to \$492,421 and \$250,249, respectively, and is included in "Donated space and rental assistance" in the accompanying statements of activities, and "Rent and leasing costs" in the accompanying statements of functional expenses.

Investments

CPCSEC records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. "Investment earnings, net" is reported in the statements of activities and consists of interest and dividend income and unrealized and realized gain/loss, less external and direct internal investment expenses. No investment expenses were incurred during the years ended June 30, 2022 and 2021. See Note 11 for discussion of fair value measurements.

Property and Equipment

CPCSEC capitalizes all purchases of property and equipment in excess of \$2,500 and with a useful life of greater than one year. Property and equipment are carried at cost less accumulated depreciation and amortization. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets.

Functional Allocation of Expenses

The cost of providing the programs and other activities has been summarized on a functional basis in the accompanying statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. General and administrative expenses include those expenses that are not directly identifiable with a specific program and provide for the overall support and direction of CPCSEC.

Expenses that are allocated include the following:

Expense	Method of Allocation
Payroll taxes, fringe benefits	Weighted average/head count
Office rent, utilities, equipment, repairs and maintenance	Weighted average/head count

Income Taxes

CPCSEC is a not-for-profit organization and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "IRC") and from state income taxes.

CPCSEC recognizes and measures its unrecognized tax benefits in accordance with Financial Accounting Standards Board ("FASB") ASC 740, *Income Taxes*. Under that guidance, CPCSEC assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances, and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Management has evaluated CPCSEC's tax positions and has concluded that CPCSEC has taken no uncertain tax positions that require adjustment to the financial statements.

Recently Adopted Accounting Pronouncements

In-kind Contributions - In September 2020, FASB issued Accounting Standards Update ("ASU") No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* ("ASU 2020-07"), which is intended to increase the transparency of contributed nonfinancial assets for not-for-profit entities through enhancements to presentation and disclosure. This ASU is effective for annual periods beginning after June 15, 2021, with early adoption permitted. The Organization has determined that the application of the amendments of ASU 2020-07 did not have a material impact on the CPCSEC's financial statements and related disclosures.

Recently Issued but Not Yet Effective Accounting Standards

Leases

In February 2016, FASB issued ASU No. 2016-02, *Leases* ("ASU 2016-02"). This update requires all leases with a term greater than 12 months to be recognized on the balance sheet through a right-of-use asset and a lease liability and the disclosure of key information pertaining to leasing arrangements. In July 2018, FASB also issued ASU No. 2018-10, *Codification Improvements to Topic 842*, and ASU No. 2018-11, *Leases: Targeted Improvements*, which provided narrow amendments to clarify how to apply certain aspects of the new leases standard and options regarding transition. The standard requires either a modified retrospective transition approach with application in all comparative periods presented, or an alternative transition method, which permits CPCSEC to use its effective date as the date of initial application without restating the comparative period financial statements and recognizing any cumulative effect adjustment to the opening statement of retained earnings. ASU 2016-02, as amended, is effective for fiscal years beginning after December 15, 2020. In June 2020, FASB issued ASU No. 2020-05, *Revenue from Contracts with Customers* (Topic 606) and *Leases* (Topic 842) ("ASU 2020-05"). ASU 2020-05 provided for an optional election to defer the effective date for Topic 842 and related amendments for an additional year. Entities may elect to adopt the guidance on the adoption of Topic 842 for annual reporting periods beginning after December 15, 2021. CPCSEC has determined to defer Topic 842 and is evaluating the impact this new guidance will have on its financial statements and related disclosures.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

FASB ASC 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that CPCSEC has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CPCSEC assesses the levels of the investments at each measurement date, and transfers between levels are recognized on the actual date of the event or change in the circumstances that caused the transfer in accordance with its accounting policy regarding the recognition of transfers between levels of the fair value hierarchy. There were no transfers among levels during the years 2022 or 2021.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, CPCSEC has evaluated subsequent events through November 1, 2022, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3. LIQUIDITY AND AVAILABILITY

CPCSEC strives to maintain liquid financial assets sufficient to cover general expenditures. Financial assets in excess of daily cash requirements are invested in certificates of deposit.

Assets unavailable for general expenditures within one year that are limited to use include a board-designated fund for facility and personnel costs. In the event the need arises to utilize the board-designated funds, the reserves could be drawn upon through board resolution.

The following table reflects CPCSEC's financial assets as of June 30, 2022 and 2021, reduced by amounts not available for use for general expenditures within one year.

NOTE 4. GOVERNMENT LOAN PROCEEDS

On May 6, 2020, CPCSEC received loan proceeds of \$2,315,000 under the Paycheck Protection Program ("PPP"). The PPP, which was established as part of the Coronavirus Aid, Relief and Economic Security Act, provides for loans to qualifying businesses for amounts up to 2.5 times certain average monthly payroll expenses of the qualifying business or organization. The loan and accrued interest, or a portion thereof, may be forgiven after 24 weeks so long as the borrower uses the loan proceeds for eligible purposes including payroll, benefits, rent, mortgage interest and utilities, and maintains its payroll levels, as defined by the PPP. At least 60% of the amount forgiven must be attributable to payroll costs, as defined by the PPP.

CPCSEC applied for PPP loan forgiveness and received approval from the Small Business Administration ("SBA") in August 2021. If it is determined that CPCSEC was not eligible to receive the PPP loan or that CPCSEC has not adequately complied with the rules, regulations, and procedures applicable to the SBA's loan program, CPCSEC could be subject to penalties and could be required to repay amounts previously forgiven. CPCSEC total forgiveness of \$2,315,000 has been recognized as "Forgiveness of governmental loan" in the accompanying statements of activities.

Donated Space

CPCSEC occupies space in three public schools owned by the NYCDOE located in Brooklyn, New York, which have been made available to CPCSEC at no charge.

School Facility Lease

CPCSEC is obligated under a five-year lease agreement with the Foundation, a related party, commencing July 1, 2016 and expiring June 30, 2021. The lease was for the use of school facility space for the BwCCS2 Middle School. The lease agreement contains provisions for future rent increases. In accordance with U.S. GAAP, CPCSEC records monthly rent expense equal to the total of the payments due over the lease term, divided by the number of months of the lease term (straight-line basis).

In June 2021, CPCSEC extended the lease agreement, commencing July 1, 2021 and expiring June 30, 2026.

NOTE 8. EMPLOYEE BENEFIT PLAN

CPCSEC maintains a defined contribution plan under Section 401(k) of the IRC covering all eligible employees. Under the plan, CPCSEC provides matching contributions. In addition, CPCSEC may elect, on a discretionary basis, to contribute a percentage of all qualified employees' compensation to the profit-sharing component of the plan. The amount charged to operations for contributions to the defined contribution plan was \$194,495 and \$173,151 for the years ended June 30, 2022 and 2021, respectively.

NOTE 9. CONTINGENCIES

Grants and Contracts

Certain grants and contracts may be subject to audit by the funding sources. Such audits might result in the disallowance of costs submitted for reimbursement. Management is of the opinion that such cost disallowance, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

Litigation

CPCSEC is, from time to time, subject to ordinary and routine litigation. Management presently believes that the ultimate outcome of these proceedings, individually or in the aggregate, will not have a material adverse effect on CPCSEC's financial condition, results of operations or cash flows. Nevertheless, litigation is subject to inherent uncertainties, and unfavorable rulings could occur. An unfavorable ruling could include money damages and, in such event, could result in a material adverse impact on CPCSEC's financial condition, results of operations or cash flows for the period in which the ruling occurs.

- (a) *Market approach.* Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach.* Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach.* Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following tables summarize CPCSEC's assets measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of June 30, 2022 and 2021:

To the Board of Trustees
Community Partnership Charter School Education Corporation

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Partnership Charter School Education Corporation ("CPCSEC") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 1, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered CPCSEC's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of CPCSEC's internal control. Accordingly, we do not express an opinion on the effectiveness of CPCSEC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether CPCSEC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CPCSEC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CPCSEC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Trustees
Community Partnership Charter School Education Corporation

Report on Compliance for Each Major Federal Program

We have audited Community Partnership Charter School Education Corporation ("CPCSEC") (a nonprofit organization) compliance with types of compliance requirements described in the *OMB OMB Compliance Supplement* that could have a direct and material effect on each of CPCSEC's major federal programs for the year ended June 30, 2022. CPCSEC's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of CPCSEC's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about CPCSEC's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of CPCSEC's compliance.

Opinion on Compliance for Each Major Federal Program

In our opinion, CPCSEC complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

Report on Internal Control over Compliance

Management of CPCSEC is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered CPCSEC's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of CPCSEC's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
